IMPORTANT INFORMATION

Repeated Courses: When a student presents the same course with more than one grade (i.e. the course has been repeated), the higher grade shall be used for evaluating purposes.

Coursework Expiration: Normally there is no time limitation for the application of credit toward a Mount Royal University credential for any course completed at Mount Royal University or at any recognized accredited post-secondary institution. However, time limitations for individual courses may be imposed if the course content is particularly time-sensitive. Any such time limitations must be approved by the Dean/Director of the appropriate faculty/school/centre upon recommendation from the Chair.

Spring Term Coursework: Students must complete all degree requirements by the end of the winter term of their year of graduation to be able to participate in convocation. MRU conducts two convocation ceremonies per year - one in June and one in November (for any student that finishes in the spring semester).

Residency Requirement: At least 50% of the course work required for a Mount Royal University parchment must be completed as Mount Royal coursework.

Grading: Credit will be considered only for those courses which have been completed with the minimum grade required for program continuance. If a program continuance is not stated the minimum grade is ‘D’.

Graduation Requirement: To successfully complete the Mount Royal University Bachelor of Business Administration, General Management Major at RDC, students must complete a minimum of 20 required courses; have a minimum GPA of 2.0 calculated on all courses required for graduation. Upon completion of the program, students will submit an application to Mount Royal University. Upon confirmation of graduation, students may attend convocation at Mount Royal and receive their parchment (payment of a convocation fee must be included with application) or students can attend convocation at RDC. Part-time students have up to 8 years to complete their program.
