This Academic Planning Guide highlights only major points regarding admission and transfer. You are advised to read the University of Lethbridge (U of L) calendar and the Alberta Transfer Guide or U of L Transfer Credit Equivalencies Database for more information.

All students, regardless of major, should take the specified Red Deer College (RDC) courses listed below in **bold**. Some courses listed in this guide have prerequisites. Please refer to the Course Descriptions section of the RDC calendar for information.

Transfer equivalents to U of L are shown after the equal (=) sign. Liberal Education courses are identified in [brackets]. See the “U of L Liberal Education Requirement” section of this document for more information.

Credit hours are shown in (parentheses) after the course subject and name for both RDC courses and their transfer equivalents at the U of L.

See the “Major Options” section of this document for courses that should be taken for your major.

### IMPORTANT NOTES

- Where a “One of” selection is shown, the preferred course is listed first.
- Where two courses transfer as the same course to the U of L (e.g., ECON 100 and ECON 201 both transfer to the U of L as ECON 1010), students will only receive credit for one course.
- A minimum grade of ‘C-‘ is required in ECON 201 (or 100) = ECON 1010; ECON 202 (or 101) = ECON 1012; BUS 306 = STAT 1770; ENGL 219 (or 220) = ENGL 1900 (or 1xxx); all courses that transfer as MGT courses (e.g. BUS 303); and courses in the major marked with an asterisk (*) in the “Major Options” section of this document (e.g. *FREN 101 (3) = FREN 1000 (3)).
- A maximum of 20 transfer courses (60 credit hours) can be used in a B.Mgt. program at the U of L.
- Check the Alberta Transfer Guide or the U of L Transfer Credit Equivalencies Database to ensure the transferability of all courses to the U of L. Transfer credit is continually updated and subject to change.
U of L Liberal Education Requirement

The liberal education philosophy of the U of L ensures students acquire breadth across disciplines, integration of knowledge across disciplines, critical thinking, and education for citizenship. All first-degree B.Mgt. students must complete 12 Liberal Education courses, four of which are selected from three different lists as follows:

- 4 x List I - Fine Arts & Humanities courses (12 credit hours)
- 4 x List II - Social Science courses (12 credit hours)
- 4 x List III - Science courses (12 credit hours)

There are limits to the number of courses that can count toward the Liberal Education requirement in certain areas. See “U of L Requirement/Limit Tracking” section of this document for more information.

The courses listed below are RDC courses that transfer to the U of L in the Liberal Education list indicated:

IMPORTANT NOTES

- **ANTH 356** transfers as either an Anthropology (ANTH 3xx [Social Science]) or a Native American Studies course (NAS 3xx [Fine Arts & Humanities]): **ANTH 200** = ARKY 1000 [Science] and **ANTH 306** = ARKY 2xx [Science] transfer to the U of L as Archaeology courses which are Sciences. The remaining RDC Anthropology courses transfer as Anthropology courses and are Social Sciences.
- Two or more courses in a particular subject may transfer as the same course to the U of L (e.g., **STAT 251, BADM 111, and BUS 306** all transfer as **STAT 1770**); students will receive credit for only one course.
- **ANTH 200** = ARKY 1000, and **PSYC 260** = PSYC 1000 are normally designated as Science courses, but may be designated as Social Science upon admission to the U of L according to what is most advantageous to the student, upon application to the U of L Registrar's Office and Student Services (ROSS) after admission.
- Some courses transfer to the U of L as two courses (e.g. **POLI 320** (6) = **POLI 2210** (3) [Social Science] and **POLI 2xx** (3) [Social Science].
- Courses which transfer as unspecified Arts and Science courses (e.g. PSYC 2xxx) will be designated as belonging to one of the three Liberal Education Requirement lists, based on the content of the course. This designation will be documented by ROSS at the U of L upon admission.
U of L Requirement/Limit Tracking

LIBERAL EDUCATION REQUIREMENT

Although the majority of Lib Ed courses will be completed at RDC, not all 12 required Lib Ed courses must be completed before transferring to the U of L. Because some required courses for a major are also Lib Ed courses, some majors may have more than four courses from one or more of the lists, so a variety of Lib Ed configurations is possible. Lib Ed courses should be tracked so all requirements and limits are satisfied at the time of graduation from the U of L.

Liberal Education Limits:
- A limit of only four courses from one discipline (e.g. ECON, MGT, MUSI) may be counted toward the Lib Ed Requirement
- A limit of only four courses from EDUC, ABHL, ADCS, HLSC, NURS, PUBH, TREC, and MGT may be counted toward the Lib Ed Requirement

Track your Lib Ed courses in the spaces below:

</tr>
</tbody>
</table>

LIMIT ON INTRODUCTORY (1000) LEVEL COURSES

No more than 12 courses may be completed at the 1000 level (or lower) for credit towards the degree, excluding Activity courses (PHAC and MUSE) and courses numbered 0520 to 0530.

Track your 1000-level courses in the spaces below:

Of the option courses listed for each major, some are taken to fill Lib Ed Requirements, some fill major requirements, and some fill electives in the B.Mgt. program. Add the Lib Ed and 1000 level courses to the “U of L Requirement/Limit Tracking” section of this document.

Please refer to the Course Descriptions section of the RDC calendar for information on course descriptions and prerequisites. Refer to the RDC timetable for course offerings.

Minors
Starting in the 2020/21 academic year, the U of L will offer over 40 minors in a variety of disciplines. In most cases, achievement of the minor and a chosen major will require a student to take extra courses.

IMPORTANT NOTES

- Minors are accessible to any student in an undergraduate program except combined degrees with Education, Education After Degree programs, or where the minor is directly related to the student’s major.
- Students choosing to complete a minor may be required to complete more than the minimum number of courses required for the degree depending on the program and choice of major(s). Courses within a minor may have prerequisites and/or co-requisites that may be an elective within the minor or that may require taking additional courses.
- A minor is comprised of a minimum of six courses (18.0 credit hours), including at least one course (3.0 credit hours) at the 3000/4000 level.
- Residence requirement: three courses (9.0 credit hours) must be completed at the University of Lethbridge, including at least one course at the 3000/4000 level.
- Courses required for the minor may not be double-counted in fulfilling requirements for a degree program’s core, major or another minor. The six courses comprising the minor must be distinct from any specified core, major or other minor requirements.
- One minor may be declared at the time of application to an undergraduate program. After admission, a maximum of two minors may be declared within the deadlines assigned for submitting a Student Program Change form through the Faculty of Management Advising Office.
- Students must declare the minor(s) no later than the Application for Graduation.
- Minor course availability is not guaranteed.

For students who complete all the requirements, the minor will be acknowledged on the official transcript. For more information, see the Minors section of the current U of L Undergraduate Calendar.
Admission and Transfer Information

NEW TRANSFER (COLLEGE) ADMISSION

If you have completed three or more transferable semester courses, you are considered to be a New Transfer applicant. Admission requirements vary depending on the number of transferable, post-secondary courses. See the “Transfer Admission Route” section of the Admission part of the current U of L Undergraduate Calendar.

To qualify for general admission, transfer applicants must have an admission grade point average (GPA) of at least 2.00 (on the University of Lethbridge 4.00 GPA scale). The admission average for transfer applicants presenting five or more transferable courses is calculated on all completed, transferable, post-secondary courses. For transfer applicants presenting only three to four courses, the admission average is a weighted average of the high school admission average and the post-secondary admission average.

All transferable post-secondary work completed by transfer applicants, as indicated on transcripts, will be used in determining admission eligibility. Please note the B.Mgt. program is competitive and possession of the minimum Admission CPA does not guarantee admission.

MINIMUM GRADE

The minimum transferable grade for an individual course to the U of L is a 'D'; however, a higher grade may be required for courses in some programs to meet degree requirements.

APPLICATION AND DOCUMENT DEADLINES

The University offers admission to qualified New Transfer applicants prior to the application deadline. Therefore, you are encouraged to apply well ahead of these deadlines for early access to course registration.

REPEATED COURSES

In cases where the applicant has repeated an RDC course, the highest grade will be used.

YEAR OF THE CALENDAR

Students who are continuously registered at RDC are normally admitted to the U of L under the current U of L Undergraduate Calendar. However, with respect to program requirements, RDC students may be treated as if they had been continuously registered at the U of L during the period in which they attended RDC. Students are governed by the current U of L Undergraduate Calendar in all other aspects (e.g., admission, fees, and General Liberal Education Requirement). For more information, contact the Faculty of Management Advising Office.

STUDENTS WHO HAVE PREVIOUSLY BEEN REQUIRED TO WITHDRAW

Applicants who have been required to withdraw (or its equivalent) from another post-secondary institution will be considered for admission after the lapse of one year from the date of the required withdrawal. Applicants who have been Required to Withdraw from a post-secondary institution more than once are not normally eligible for admission and shall be considered for admission only on the recommendation of the appropriate Dean.
Faculty of Management Requirements

**B.MGT. MINIMUM ADMISSION REQUIREMENTS**
Please note that the admission policies and procedures set out in the Admission section of the current U of L Undergraduate Calendar are applicable, unless otherwise noted. Admission to the B.Mgt. program may be gained by one of the following admission routes:

a. Alberta or other Canadian high school credentials
b. Transfer from recognized colleges or universities

**MATH REQUIREMENT**
Applicants to the B.Mgt. program must satisfactorily complete the following Alberta high school math course, U of L's MATH 0500, or equivalent:

- For quantitative majors (Accounting, Economics, Finance) – Mathematics 30-1
- For non-quantitative majors (all other Management majors) – One of Mathematics 30-1 or Mathematics 30-2.

*Note: if the RDC student has completed MATH 202, MATH 203, MATH 221, BUS 306, or BUS 307, with at least a “D” grade or higher, the Faculty of Management will consider the Math Requirement met.*

**ADMISSION GRADE POINT AVERAGE**
Admission is based on a combined cumulative grade point average (GPA) on all transferable courses.

- The Faculty of Management at the U of L is a quota faculty, and the cut-off admission GPA may change from year to year
- Possession of a GPA in the above range does not necessarily guarantee admission into the Faculty of Management

**RESIDENCY REQUIREMENT**
To meet degree requirements, a minimum of 20 courses (60 credit hours), including 10 3000/4000 level courses in Management^ must be taken at the U of L.

^ Students in the following majors may use courses in the major towards this requirement: Computer Science majors can use 3000/4000-level Computer Science courses in addition to 3000/4000-level Management courses; Economics majors can use 3000/4000-level Economics courses in addition to 3000/4000-level Management courses; Indigenous Governance and Business Management majors can use 3000/4000-level Native American Studies courses in addition to 3000/4000-level Management courses; and Political Science majors can use 3000/4000-level Political Science courses in addition to 3000/4000-level Management courses completed at the U of L.

**CO-OPERATIVE EDUCATION PROGRAM**
Co-operative Education is a program that integrates students’ academic studies with full-time remunerated work experience directly related to their major area of study. Co-operative Education provides a well-rounded education and enriches academic knowledge with practical experience.

Co-operative Education is available in all undergraduate Management programs. We encourage transfer students to apply to the Co-op program upon admission to the U of L provided they meet the Co-op admission criteria. Students who successfully complete the minimum required work terms and all requirements in their undergraduate management program will have the Co-op designation acknowledged on the official transcript and degree parchment.

**FACULTY OF MANAGEMENT CAMPUSES**
The Faculty of Management offers courses on two campuses: Lethbridge and Calgary. Students can pursue all programs and majors offered by the Faculty of Management on the Lethbridge campus. The following majors are offered on the Calgary Campus: Accounting, Finance, General Management, Human Resource Management and Labour Relations, and Marketing. Students who wish to complete International Management on the Calgary Campus may require alternate arrangements to complete the requirements for this major.

**IMPORTANT NOTE**

You are responsible for ensuring that your registration is complete and appropriate and that your course choices comply with the program to which you have been admitted at RDC and/or to the university to which you wish to transfer (if applicable). You are cautioned that any changes to your courses, your major or your transfer destination may adversely affect your transferable credit (if applicable), admission requirements for future programs, or eligibility to graduate from RDC. Please consult with an Advisor if you have any questions.

The function of Advisors is to provide students with information and resources that enable them to make informed decisions relevant to their education. These resources include the RDC College Calendar, the Academic Planning Guide for your chosen program and destination university (if applicable), the Alberta Transfer Guide and the calendar and contact information for your destination university (if applicable). Advisors will assist you in interpreting information from these resources or refer you to your destination university if appropriate. Students in university transfer programs are strongly advised to refer to the calendar of the university to which they wish to transfer and should contact appropriate university departments as required.
